Delete obsolete packages and nodes ⊘ Closed
autowarefoundation/autoware_ai#475

👁 🔴 **esteve** requested review from **amc-nu**, **kfunaoka** and **sgermanserrano** 6 years ago

hatem-darweesh commented on Jan 8, 2019

lidar_kf_contour_track is very important for OpenPlanner.
it follows the same object tracking node interface. same as
(lidar_imm_ukf) with similar performance according to kitti
evaluation
